Fees # 1 to # 4 are quoted to the client before the payment order is sent.

- If the Client specifies in the payment order the amount to be debited from its account in the currency before the conversion, the charge # 2 will be quoted in the transmitted currency (after conversion).
- If the Client specifies the amount to be debited from its account in the currency after the conversion in the payment order, the charge # 2 will be quoted in the available currency (before conversion).

Fees # 5 through # 10 are charged to the client if that

- breaches its obligations enshrined in the General Business Terms, in particular:
 - o in the case of a payment to an account specified by the Provider, the correct payment identifier will not be entered (fee 5)
 - o Provides the Provider with an erroneous order to debit a payment from his payment account (fee No. 6)
 - o claims an unjustifiably poor execution of his payment order (charge # 7)
*** for individual non-business consumers the charge # 7 is not applied**
 - o withdraws a payment order which has been authorized and accepted by the Provider or not deposited on its PUK at the latest on the due date of the authorized payment order sufficient funds available for payment and payment of fees calculated according to the valid price list (fee 8)
- or request in writing for additional services (charges 9 and 10) - forms at www.devizy.cz/formulare.

In these cases, the Provider reserves the right to charge the fee according to the valid price list. Any such breach and charging of the charge shall be notified to the Client by electronic means.

If the fee is charged in a currency other than EUR, a conversion is made on the KB-Center rate, announced on the day of the charge by Komerční banka, a.s.
